DSMES PROGRAM WORKFLOW

❖ Pre - DSMES

- ❑ **Referral Intake, Outreach and Registration(4 weeks):** Capture patient ID, name, contact info, referral date, outreach.

❖ DSMES

- ❑ **Group Education (8 weeks):** Conduct Pre survey, log weekly sessions with dates and attendance
- ❑ **One-on-One Sessions (4 weeks) *:** Record individual sessions per participant and post-survey completion.

❖ Post - DSMES

- ❑ **Program Assessment (1 week):** Document outcome summary and reporting period.
- ❑ **Error Handling (Ongoing):** Log failed contacts**, missed sessions, incomplete surveys, and resolutions.

*One –on-one sessions are optional, next round outreach will begin during the beginning of one-on-one sessions.

**Failed contacts will be defined as unwillingness to participate/ failed communication after 3 outreach attempts: reconsider for next cycle.
